

Signage & Posting

Clear, concise warning signs prevent accidents, alert staff of potential dangers, and contribute to a safe and well-run warehouse. They also help warehouse managers comply with federal regulations. BHS provides Signage and Posting (SP-1) that can be purchased as a kit or individually.

BHS provides custom battery handling equipment to meet any challenge.

Contact BHS at 1.800.BHS.9500 or online at BHS1.com to learn more about fully customized solutions for the battery room and beyond.

Signage & Posting

CLEAR, EASY-TO-READ SIGNS IMPROVE CHARGING AREA SAFETY

Improve safety, notify personnel of hidden dangers, and prevent accidents in the workplace with the BHS Signage and Posting Kit (SP-1), which contains nine signs for display in the forklift battery charging area. SP-1 also helps to clearly identify the location of emergency equipment for quick response.

FEATURES & BENEFITS

- Large symbols to overcome language barriers
- Laminated surface is easy to clean
- Intermediate vinyl mounted on 020 THIN PVC
- Includes double-sided tape for simplified installation
- Can be screwed into the wall
- Each sign may be purchased individually
- Aids in compliance with IFC 608.7, NFPA 1 Article 52.3.8, and NFPA 70E
